

QUALITY POLICY

PDQ 01 Rev 01 data 01/01/21

EMMEGI S.p.A. has decided to apply a Quality Management System in compliance with ISO 9001 Standard.

The general objectives that the various company functions aim to achieve are:

- STAKEHOLDERS' SATISFACTION.
- COMMITMENT TO CONTINUOUS IMPROVEMENT OF ALL COMPANY'S PROCESSES, TAKING INTO ACCOUNT RISKS AND OPPORTUNITIES COMING FROM THE PERIODICAL REVIEW OF CONTEXT ANALYSIS.
- SELECTION, MONITORING AND DEVELOPMENT OF SUPPLIERS WITH THE AIM TO REACH THE HIGHEST QUALITY, TECHNOLOGICAL LEVELS.
- LEADERSHIP PROMOTION TO INCREASE COMMITMENT AND INVOLVEMENT OF ALL PERSONNEL TO REACH COMPANY'S TARGETS.

To reach these objectives EMMEGI S.p.A. will maintain a Quality Management System with the following activities:

- **Planning** the monitoring of company processes and their efficiency with a view to achieving continual improvement;
- **Training Program** in the discipline of Quality;
- **Acting** as to do improvement of products supplied through continual monitoring of company processes including the outsourced processes;
- **Doing** whatever possible to guarantee products quality through the continual monitoring of all internal processes;
- **Checking** the suitability and correct performance of the planned activities concentrating on the prevention rather than the amendment of defects;
- **Checking** the efficiency of the Quality Management System;
- **Guaranteeing** the circulation, understanding, and respect of Quality policy by all staff at every level, its disclosure to suppliers, and its availability to all interested parties.
